OUR SOLUTIONS

Business Support Skills

We are working with leading industry figures to provide a range of Business Support Skills qualifications. These innovative qualifications help learners develop the essential business and IT skills many employers look for.

> Business Support Skills

Functional Skills

Functional Skills are qualifications in English, maths and ICT that equip individuals with the basic practical skills they need for everyday life, education and the workplace.

> Functional Skills

Work Ready

Our Work Ready programme enables centres to offer flexible learning programmes to meet the needs of unemployed individuals and local businesses.

> Work Ready

Higher Level

Our Higher Level qualifications are from Level 4 upwards, and can stand alone or part of a Higher Apprenticeship.

> Higher Level qualifications

Preparing to Teach in the Lifelong Learning Sector (PTLLS) (7303)

⚠ Closed for registrations

GENERAL INFORMATION LEVEL 3 LEVEL 4

About these qualifications

An Award in Preparing to Teach in the Lifelong Learning Sector covers the basics of teaching in continuing and adult education - including how to plan sessions, motivate learners and use a variety of assessment methods. It's a first step towards official practitioner status - a full licence to teach in the lifelong learning sector.

Who are they for

This Award is for new entrants to the Lifelong Learning Sector - you don't need any prior teaching experience or qualifications. It also suits people working in the area already who want to gain official qualifications. You should have an idea of what subject you'd like to teach, and either have or be working towards a qualification in that area.

General Information

Available in following countries

- England
- Scotland

Information & documentation

FOR CENTRES

To offer this qualification please submit an application and we'll help you get set up - you can become a City & Guilds qualification provider within 30 days.
